

4 | Mon | NTE

Mon 4th and Tues 5th are the busiest days for staff members at the Act Now stall, as attendees are increasingly encouraged to check out the Act Now section so that projects are completed. GRN's Act Now stand will have three interactive stations. The first station is a makeshift recording studio which will look similar to the ones constructed on the field. The second station is an interactive demonstration of editing a recording. The third station is where attendees will be encouraged to commit their prayer and financial support toward the project and ask any further questions about GRN.

5 | Tue | NTE

Pray for energy for our team members! Most attendees are university students and tend to show interest after the main session in the evening, sometimes staying and talking to the mission reps as late as 11pm!

6 | Wed | NTE

Pray that those who attend the NTE will be inspired to tell the story of Jesus in every language, and prayerfully consider how they might contribute towards GRN projects.

7 | Thu | REFUGEE OUTREACH

There has been a huge influx of refugees into Cameroon, West Africa, from Nigeria and Central African Republic. Joseph Ndiba, GRN Director in Cameroon, plans outreaches among these refugees. Pray for the Gospel to be widely accepted by many needy people.
