QUESTIONNAIRE

To be completed by any person who intends later to apply as a candidate for service with Global Recordings Network Australia.

This Questionnaire is NOT an application for service.

The following questions are asked in order that the Board and Management of Global Recordings Network Australia might fully consider your qualifications to serve with this organization, and will be treated with the strictest confidence.

As these inquiries are of a purely preliminary character, and do NOT constitute an application, we would urge you not to allow your submission of this questionnaire to interfere in any way with your present occupation.

By your completion of this questionnaire we understand that, the Lord continuing to lead you, you may apply as a candidate for service with Global Recordings Network Australia. Such future application will be considered on its merits. This questionnaire will assist the Mission to guide you, but does not in any way commit it to acceptance of your future application.

In answering the questions, please avoid indefinite terms, and be as explicit as possible. A separate questionnaire should be filled in by each adult.

Where insufficient space is provided for an answer, use a separate sheet of paper, clearly numbering the answer with the number of the question. We suggest that you read the entire questionnaire through before filling in any part of it.

Should the Mission invite you to proceed with a formal application to the mission, this will include a medical report, part of which is a blood test report.

VIII. STATEMENT OF FAITH

The Members of the Mission of Global Recordings Network Australia hold the following tenets as a basis of belief, namely:-

- 1) The Divine Inspiration, Authority and Sufficiency of the Holy Scriptures.
- 2) The Unity of the Godhead with the distinction of Persons in that Unity, namely the Father and the Son and the Holy Spirit to Whom equal honour is due.
- 3)
 - (a) That the Son of God truly became man being begotten of the Holy Spirit and born of the Virgin Mary.
 - (b) That His death was a sacrifice to God and a propitiation for the remission of sins.
 - (c) That He was raised from the dead.
 - (d) That He ascended to the right hand of God and is now the all-sufficient High Priest of His people.
 - (e) That He will come again to receive His people to Himself and to set up His Kingdom.
- 4) That in consequence of the fall of Adam man became “lost” and “at enmity against God”; that he is also “without strength” to do the will of God.
- 5) The work of the Holy Spirit in regeneration and sanctification.
- 6)
 - (a) That the justification of the sinner before God is by grace through faith alone.
 - (b) That every justified person is also born of God.
 - (c) That such new birth results in, and is made evident by holiness of life and good works.
- 7)
 - (a) That at death the spirit of man does not cease to exist.
 - (b) That the dead will be raised either to life or to condemnation and that the blessedness of the righteous and the punishment of the unrighteous will be alike eternal.
- 8) The primary obligation of the Church to preach the Gospel to every creature.

Each member of the Mission agrees with the above Statement of Faith and agrees not to promote any doctrine or interpretation that might cause dissension within the Mission.

I understand and accept the above Statement of Faith that sets forth the doctrinal position of Global Recordings Network Australia. In signing this questionnaire, I affirm all the foregoing statements to be true to the best of my knowledge.
