

23 FRI Tribal World

Countless people groups are in bondage to the fear and darkness of their animistic gods. Much must be done throughout Asia, Africa, and South America to bring the light of the gospel and deliverance. Pray that through the prayers of God's people, the principalities and powers are bound and the truth of the gospel sets people free.

24 SAT GRN UK

Pray for Kenny McKee (wife Joan) in his role as UK Director and recordist/trainer. Pray for new staff, new donors, and more intercessors to join with them and that the team is encouraged and joyful in their service.

25 SUN A Shepherd's Heart

Pray that our ministry character and our actions will express the heart of the Good Shepherd that goes after even one lost sheep—and language. Pray for an urgency and a willingness for GRN workers and partners to do whatever it takes in our quest to seek out the most spiritually neglected peoples.

26 MON From Pakistan

"We sent 285 SD cards to our field partners in October. Please pray that these messages will change the lives of many who hear the Gospel in their own mother tongue."

27 TUE GRN Publications

Pray for the publications that GRN produces: that we may be wise in the promotion of GRN ministry, so that our publications are informative but don't pose a threat to GRN members working in sensitive situations.

28 WED New Vehicle

The GRN Philippines team is praying for a new vehicle. Their current one is old and unreliable, resulting in mishaps and delays. Please join with us in praying for the resources to provide for the cost of this vehicle.

From the Director

Dear Friends,

This is the month when most Western cultures celebrate Valentine's Day, on February 14. Some think of it more as an invention of the greeting card industry, chocolate producers, and flower growers, but it is certainly nice to share gifts and show one's love and appreciation to others.

As I read through this month's prayer requests, many of which focus on the ongoing Culiacan Project in Mexico, I can't help but think of the most loving thing one human may do for another, and that is to share the good news about the Savior of the world, Jesus Christ.

Culiacan, Sinaloa, Mexico, is one of the danger spots of the Earth. It's located in a violent, drug and gun-riddled society, where people die by violent means regularly. But it also happens to be a community where families live and work, and where Christians travel every year to share the gospel with migrant farm laborers from all over Central America.

As you read and pray in the week ahead, you'll be given some specifics to pray for. But may I ask a favor of you? To bathe this project, and the Mexican and American workers, in prayer for the entire month, that God will first and foremost give them many opportunities to lead the lost to the Lord, but also that our Father will protect them as they daily travel in dangerous neighborhoods.

For this is the message that you have heard from the beginning, that we should love one another.

1 John 3:11, ESV

Peace of Christ,

Dale Rickards

Together in Prayer

Daily Prayer Guide - February 2018

1 THU Project Culiacan

Global Recording Network (GRN) Mexico's Project Culiacan takes place from Jan 21 – Feb 17. This fruitful outreach to migrant workers has been an annual event for 30 years. The goal is to sow the gospel of Christ in the languages of more than 120 ethnic groups. Pray that this year will see an abundant harvest.

2 FRI Jesus and Diana Loyo

Pray for the GRN Mexico Director and his wife as they coordinate the Culiacan outreach this month and also similar outreaches throughout the year across Mexico.

3 SAT The Camps

The outreach teams must get permission from the camp directors before they can distribute materials, hold meetings, or show videos in the camp. Pray for good relationships with the camp bosses so that the gospel is not hindered.

4 SUN Spiritual Warfare

For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Eph. 6:12 NIV

5 MON Volunteers

Pray for the many volunteers from the USA and Mexico that participate in Culiacan. Pray for safety in travel, unity and harmony among the teams, and that God's light shines brightly through their lives.

6 TUE Children's Outreach

Pray for the workers that focus on reaching the children in these camps. Clowning, music, and audio/video presentations are popular ways to present the gospel.

7 WED USA Team

Please remember Elizabeth Chan, USA Recruiter; Mike Hendricks, USA Distribution; and others who traveled to Culiacan for all or part of the project. Pray for their safety and that God

uses their gifts and availability in great ways.

8 THU Follow Up

Pray for the Mexican Christians who will follow-up with the new believers who receive Christ at the camps. Many will return home to their villages after the harvest is finished making it difficult to continue ministry with them.

9 FRI Exploring Ministry Options in India

GRN work in India is on hold at the moment. To fill the gap until work is reestablished, International Director, Graydon Colville, and Nepal Director, Surendra Shrestha, visited India Jan 28 - Feb 5 to meet potential ministry partners. Ask God to bless their efforts to advance the telling of the story of Jesus in the languages of India.

10 SAT Recordist Trainers Meet

Several GRN recordist trainers meet in Australia from Feb 11-25 for a development meeting related to recordist training. It is important we get our

training right. Pray for godly wisdom and insight for Elise Cooper, Jon Rulison, James Inyama, Surendra Shrestha, and Kenny McKee as they plan.

11 SUN Going to Remote Areas

GRN workers in Nepal have for years traveled the country tirelessly, and fearlessly reached out to people in remote areas. Pray that the message of Christ they have shared encourages the people and shines the light of the gospel despite strong opposition from false religions and the government.

12 MON International Leadership Team Meets

GRN's International Leadership Team has their next meeting in the south of France from March 1-8. Ask for God's will to be made known to the team and for a good understanding of his purposes for GRN going forward.

13 TUE Cyber Security

GRN needs to be constantly vigilant against cyberattacks. Pray for wisdom and insight for the GRN Information Systems team and its efforts to provide secure systems. Above all, ask God to put a hedge of protection around the whole GRN work.

14 WED Motorcycle Gospel Team

The Motorcycle Gospel Team, a ministry of GRN Thailand, plans several trips this year. Pray that God leads them as they continue their ministry to villages, encouraging the people in the Lord and distributing mp3 players and recordings in local languages. Pray the team will be a strong witness to point people to Jesus.

15 THU GRN USA Annual Meeting

Today the corporation membership meets for our annual meeting and report. Pray for wisdom and direction for the future; pray for our board of directors as they also meet today. May God provide leadership with inspiration and passion.

16 FRI Heb 10:24-25 NIV

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

17 SAT Papua New Guinea Re-start

GRN work in Papua New Guinea is on hold pending the provision of new leadership and staff. Pray for God's supply of workers and resources so GRN in PNG can once again actively tell the story of Jesus in the many languages of that fascinating country.

18 SUN GRN Asia Regional Team

The GRN Asia Regional team met recently in Thailand. There was a strong desire to build relationships, encourage one another, and cooperate together for the glory of God, and also a desire to see the ministry grow throughout Asia, especially in India. God has a strategic work for GRN in Asia and our teams are ready for the challenge.

19 MON Tanzania Recording Goals

GRN Tanzania needs to recruit one or more workers to be trained as recordists. They also need to acquire the necessary recording gear to equip new recordists. This will be a first step in their vision for a fruitful recording and distribution ministry for connecting with the 25 languages spoken in Tanzania that need to hear the gospel story.

20 TUE Growth in Distribution

Pray for continued growth in distribution of gospel recordings by the effective 5fish phone app, as well as by personal distribution to people groups that are still outside the reach of digital technology.

21 WED Engaging the Hardest-To-Reach Peoples

This year, GRN wants to locate and engage the hardest-to-reach peoples who have never heard about Jesus. Pray for open doors and courageous hearts for recording teams around the world.

22 THU I Chron. 16:23-25 NIV

Sing to the LORD, all the earth; proclaim his salvation day after day. Declare his glory among the nations, his marvelous deeds among all peoples. For great is the LORD and most worthy of praise; he is to be feared above all gods.
