Dear Friends,

During much of this month of June, Muslims around the world celebrate Ramadan (May 27 to June 25), and millions of Christians around the world will be praying for them—praying that they recognize the Lord Jesus as the only Son of God and the only one who can save them from their sin.

Many in the West think of Ramadan as that strange time of year when followers of Islam 'fast' during the day only to feast during the night. There are more religious observances during Ramadan than that, and like any world religion, some follow the traditions and some do not. But increasingly this period has become a time when Muslims turn to Christ, and many link the current movement of God bringing Muslims to faith in Christ throughout the Islamic world, with this 30-day prayer movement that began about 30 years ago.

When my parents returned from the North African mission field in the mid 1960s, after 15 years of ministry among Muslims in Algeria, Morocco and Tunisia, my father could count the number of converts he had seen turn to Christ, on one hand. It was tough, dangerous soil. Today the Spirit of God is sweeping through the continent of Africa, using the prayers of the Church and the work of generations of missionaries. Please join us in prayer for those lost in the deception of Islam. You can follow a daily prayer guide available at [www.30daysprayer.com](http://www.30daysprayer.com).

Peace of Christ,

Dale Rickards

Executive Director
